**SNOW STUDIO**  
 Snow Studio is a full service interior design studio specialising in hospitality interiors. They craft immersive interiors where every project tells a story. Their work, like the Santa Fe Food Hall, transforms cultural narratives into bespoke, experience-driven spaces through materiality, craftsmanship, and design. Every detail is thoughtfully curated, ensuring each space is not just visually stunning but also deeply connected to its place and purpose.

**STUDIO ELÈN LETORT**  
 Based in Amsterdam and working globally, Studio Elèn Letort designs timeless, elegant spaces for public and private use. Each interior reflects unique character through curated objects, bespoke furniture, and refined materials. Inspired by Art Deco and mid-century modernism, the studio reimagines classic aesthetics with a contemporary, thoughtful approach.
